## **Children's Case Manager Full Time**

We encourage you to apply for this exciting position on our case management team. In this position, you will play a key role in assisting a child with Developmental Disabilities, Autism or Mental Health needs to access resources needed to live a full and inclusive life. You will work with youth and their families in a variety of settings to facilitate growth and achieve their highest potential for independence. We accomplish these goals by providing a thorough comprehensive assessment, individualized plan development, home and community visits and developing a strong working relationship with the youth and members of the child and family team. The case manager advocates for the rights and responsibilities of the child and family by coordinating services using a strengths based and family friendly approach.

---

### **Position Requirements**

- Bachelor's degree in Human Services, Social Work or closely related field.
- Licensed Social Worker preferred. Clinical supervision is provided for all pursuing licensure as a social worker along with a reimbursement program for professional testing and licensing fees.
- Outgoing, self-directed, have great written and oral communication skills, and enjoy working with a team.
- Comfortable advocating for individuals with various levels of disability in a variety of settings.
- Travel is required.

Independence Association offers competitive pay, mileage reimbursement and benefits.
