

Independence Association

Children's Targeted Case Manager

Are you compassionate, engaging, team-oriented, and interested in making a difference in the lives of others in your community?

Come join this Dynamic team!!!

Independence Association is seeking a Full Time Children's Targeted Case Manager to join our non-profit organization

We encourage you to apply for this exciting position on our case management team. In this position you will play a key role in assisting a child with Developmental Disabilities, Autism or Mental Health needs to access resources needed to live a full and inclusive life. You will work with individuals and their families in a variety of different settings to facilitate growth and achieve their highest potential for independence. We accomplish these goals by providing a thorough comprehensive assessment, individualized plan development, home and community visits and developing a strong working relationship with the individual and members of their child and family team. The case manager advocates for the rights and responsibilities of the child and family by coordinating services using a strengths based and family friendly approach.

General Requirements

The ideal candidate must minimally hold a bachelor degree in Human Services or a closely related field. LSW is preferred but not necessary. Qualified candidates are outgoing, have great written and oral communication skills, thrive in an active and fast paced environment and work well both independently and as a team player. This person must be comfortable advocating for an individual with various levels of disability in a variety of different settings. Travel is required of this position.
